DEFINITIONS

UNDERGRADUATE STUDENTS

Regular -- Those who have met all requirements for admission to the University and who pursue programs which lead to an undergraduate degree.

Limited -- Those who hold a bachelor's degree but are not candidates for an advanced degree or those who do not hold a bachelor's degree but have completed a substantial amount of college work and who, by reason of special attainments, may be prepared to undertake certain courses in the University toward a definite and limited objective.

GRADUATE STUDENTS

Those who hold a bachelor's degree or its equivalent and are working toward a certificate, first professional degree or a higher degree.

Professional -- Those who are currently working toward a first professional degree (Juris Doctor, Master of Library Science, Master of Social Welfare, or Doctor of Optometry), or a certificate.

Master's -- Those who are currently working toward a master's degree (excluding first professional master's degrees).

Beginning Doctoral -- Those who are working toward the doctoral degree but have completed less than 36 quarter units at Berkeley in graduate status, do not have a master's degree, and have not been advanced to candidacy.

PART-TIME STUDENTS

Undergraduate -- Those who carry fewer than 12 units in a quarter.

Graduate -- Those who are progressing toward their degree/certificate objective at a rate which is less than 75% of a normal full-time rate as determined on an individual basis by their graduate adviser.

HOME LOCALITY

Permanent home address stated by the student at the time of admission.

NOTE:

The School of Law is operating on a semester system rather than a quarter system. All data in this report include Law Students.

Data in this report include the Extended University.

Data in this report for the Academic Year 1974-75 and for Fall 1975 are based on the number of students registered as of the end of the third week of classes for each quarter.
